<p>Decisions of the EE Meetings and the International Judges Meetings Poultry Section since 1990 Technicals</p>
--

If a juge find on EE Show a animal with " <u>unnatural marks</u> " so he has to let sign the card of the chef juge and the show organisation has th inform the association of the nativ country.	Luxembourg 1990
The colour of the <u>toe-nails</u> is unimportant, if the standard say nothing else.	Munsbach 1992
The leg colour of the <u>Australorps</u> white ist in NL pinkish white, in all other countries they are blue. At EE Shows both leg colours are accepted.	Munsbach 1992
On EE Shows there will be accepted turned or missing <u>toe-nails</u> by all breeds with a strong leg plumage.	Rez, 1993
On EE Shows a animal does <u>not be older than 6 years</u> , otherwise it will not be juged.	Rez, 1993
The countries of membership have to look, that the <u>Wyandottes</u> of the different colour variety, have all almost the same figure. Especially the black and the whites should be brought back to the usual figure.	Gonderange 1995
<u>The ring dimensions</u> are in the future to indicate in mm (inside dimension) and not in roman letters.	Bergamo 1996
<u>New breeds</u> can be accepted by the EE-Standard, if they are even accepted in the country of origin and a second country, or if they are showed on a EE Show as a new breed in a good quality.	Linz 1996
<u>New frizzle varieties</u> of poultry breeds are not to push, because of animal right reasons.	Linz 1996
The <u>list of seldom poultry breeds</u> had been completed by: Sebastopol, Hamburg pencilled hen fethered, Spanish Bantams. Cancelled had been the Watermaalsche bearded Bantams. Altrheiner Elsterente had been completed by the name Magpie-Duck, and Welsh-Harlekin with Streicherente.	Linz 1996

The German Standard is accepted as the <u>leading standard</u> , all what you can find in it is automatically accepted for the EE-Standard.	Brdo 1997
Hans Zürcher - CH will make a <u>complete list</u> with all in the EE Standard accepted breeds and colour varieties and even a list what is all accepted by the other member countries. That means, that all member countries have to give the information to him. This list will be distributed at the next EE Meeting at Erfurt. For that reason I have not given it into this decision list.	Brdo 1997
<u>Cross folds</u> of the wattles is a disqualification fault	Beek 1997
<u>Long folds</u> of breeds with long wattles like (Japanese or Italians) are tolerated.	Beek 1997
If the <u>ring is under the spurs</u> of the male, and you can turn it lightly it is tolerated. But if it handicapped the animal in his way to walk, so is this a disqualification fault.	Beek 1997
It should be aspired that one breed has in every country the same <u>ring diameter</u> .	Erfurt 1998
The countries of membership make a list of all breeds, with the <u>country of origin</u> . Big and bantams can have different countries of origin. Those lists are to be sent to H. Zürcher/CH, if they differ, so they have to be discussed in the section.	Sönderborg 1998
<u>Duck feet</u> will be disqualified in all countries.	Sönderborg 1998
<u>Brest bones</u> in S-form will be even disqualified everywhere.	Sönderborg 1998
<u>One sided splitting wings</u> should be even everywhere a disqualification, but not all countries do it right now.	Sönderborg 1998
Old cocks, big and bantam must have <u>spurs</u> . By the 0.1 spurs in the length of a half of an pea are tolerated. Exceptions see standard.	Sönderborg 1998
If <u>new breeds are shown on european shows</u> which are not in the EE-Standard, it has to be brought a Standard in one of the three official languages. (d, f, e)	Verdun 1999
On the meetings of the BDRG/D and the NHDB/NL will be discussed <u>only german and netherlands breeds</u> .	Mayrhofen 2000
On coming EE-meetings the meeting of the presidency will take place on thursday morning, so that the ESK can take place in the <u>afternoon</u> .	Mayrhofen 2000
The presidency had chosen the <u>ring colours</u> : 2001 green, 2002 grey, 2003 white, 2004 black, 2005 yellow, 2006 blue, 2007 green etc.	Mayrhofen 2000
The standard commission of each section will get a yearly a amount of <u>DEM 1500.00</u> from the cash of the EE to pay some costs of the ESK meetings. The distribution is fact of each section.	Mayrhofen 2000
In the leading standard should be listened additionally all <u>accepted</u> , but not prescribed breeds and Colour varieties. All <u>not accepted</u> will be listened also.	Avenches 2000
The <u>regulations of the EE-Standard committee</u> are accepted.	Thun 2001
Proposals of <u>acceptance of new breeds or colour varieties</u> are to send to the chairman of the standard commission until 1th of may.	Dudelange 2001
<u>Decisions</u> of the international jube meeting or the standard commission will get valid after acceptance of the minutes.	Dudelange 2001
It should be organized a <u>working group for ornamental fowl</u> inside the section poultry.	Dudelange 2001
<u>Announcement for EE-Shows</u> for breeds or colour varieties, which are not prescribed in the EE-Standard, will be only accepted, if a standard prescription in one of the official languages is also transmitted. Otherwise the announcement will be refused.	Malmö 2002
The <u>list of breeds and colour varieties</u> is accepted with little proviso.	Malmö 2002
For breeds and colour varieties which are <u>not included in the german standard</u> , the standards have to be given to all members of the ESK-G. Additional to R. Möckel and F. Schöne.	Leipzig 2003
The leading standard will be get translated into <u>French</u> from Switzerland.	Leipzig 2003

The <u>over-large combed Japanese Bantams</u> will be not accepted for animal welfare reasons.	Leipzig 2003
<u>Australorp Bantams in salomon</u> were rejected too.	Leipzig 2003
<u>European Breed Shows</u> can be placed only in the years between.	Sebnitz 2003
The proposal to change the <u>Malays brown-porcelain</u> into spangled had been rejected.	Sebnitz 2003
<u>Yokohama</u> pile change the name per 2005 into <u>red-white drawned</u> .	Sebnitz 2003
On European Shows all birds should be placed into <u>single cages</u> .	Niederbronn 2004
The <u>czech tuffed goose</u> is accepted as a independent breed.	Niederbronn 2004
The <u>English Leghorns</u> are accepted as a independent breed.	Héviz 2004
The countries are asked to put the <u>list of the actual judges</u> on their homepage.	Mondorf 2005
The <u>Marans</u> had to show lightly feathered legs in all colour varieties as the country of origin France says and even Danemark and Great Britain had to follow.	Mondorf 2005
The <u>Poultry Standard for Europe</u> will come out in aumtumn 2006 and Switzerland will translate it into the french.	Beek 2005
<u>Big differences</u> between the standards of the countries and the standard for Europe shold been listed to aspire a harmonisation.	Beek 2005
The beginning of a <u>third band</u> is tolerated on all varieties of the porcelain booted bantams.	Beek 2005
The <u>Narragansett Turkey</u> will be admitted to the standard after clarifying the weight.	Beek 2005
Against the decision of Beek, the Narragansett Turkey could not be admitted because of controlling the weight, those are now admitted to the lighter German Turkeys as a new variety with the name <u>German Turkey narragansett</u> .	Pohlheim 2006
The admitted German Turkeys narragansett should not disturb the admission of the <u>Narragansett Turkey</u> based on the american standard.	Leusden 2006
The <u>standard for Europe</u> is ready now, even the french version which was translated by M. Bovet	Murten 2006
<u>Absent toe-nails</u> on strong leg feathered birds must be punished, they can get maximum 95 Points.	Murten 2006
<u>Proposals</u> on the ESK-G are to send to the president of the standard commission until the 1th of february or the 1th of august	Murten 2006
The <u>roulement</u> for the ESK-G is accepted.	Piestany 2007
The colour variety of the golden <u>Javanese Bantams</u> had been changed into partridge.	Piestany 2007
The german name of the <u>Bearded Uccles</u> had been changed into Ukkeler Bartzwerge.	Piestany 2007
The undercolour of the <u>Sussex</u> got a new prescription. Light: silvergry until white, Buff: slight grey until butt, Red: grey until red.	Piestany 2007
