Details on „How to Determine the Correct Amount of Judges per Section“:

Judges that have not attended any EE-Judges' Seminar = 1 judge for every 160 entries.
Judges that have attended at least 2 EE-Judges' Seminars = 1 judge for every 80 entries.
Fractions of these numbers do not warrant further judges.

All seminars that have been attended have to be ticked on the judges' registration form.

8.

Each contact persons has to compile a list containing the following details:

- Name and address of the Exhibitor
- Number of Exhibits
- Catalogue
- Administrative Costs
- Donations
- Social Evening
- Total Fee per Exhibitor
- Total Fees for the whole Section

This list has to be sent to the appropriate address with the entry forms.
