Elections to Section Committee at the EE-conference on 09.-13.05.2018:

Our 2nd chairman of many years, Herbert Zens, will resign from his position. We thank him for his work and commitment to the European rabbit breeding.

The Section Committee and the Standard Committee have discussed Erwin Leowsky's and Herbert Zens' succession. We're happy to announce that Rainer Retschitzegger, Austria, will run for chairman and Wolfgang Vogt, Germany, will run for 2nd chairman. Both are well known for their work in the Standard Committee and suitable for the positions.

Secretary Urban Hamann, Switzerland, will still be available for his position.
