Press release

The Europe Show will take place

During its video conference on July 23rd 2020, the EE board was delighted to see the Polish Association's application to take over the cancelled Europe show in Tulln (A). This should be organized in Kielce.

A delegation from the board will meet in Warsaw on September 5th – 6th with those responsible from Poland to clarify whether the show can already be held in 2021 or not until 2022 and to discuss further details. The final decision will be made at the next video conference of the board on September 10th.

The EE Presidium is very pleased about the application from Poland and that the implementation of the European Show in 2021 or 2022 appears to have been secured.

Further information will follow after September 10th 2020.

July 26th 2020, Gion Gross, EE-President
