

Sparte VÖGEL

EE Meeting in Billund

Saturday, 18. September 2021

Minutes of the meeting

1. 9:00 Uhr Greeting of the delegates by Klaas Snijder
2. Record of attendance
Persons present:
Heinz Hochuli Schweiz, Klaas Snijder NL, Henk Jansen NL, Dirk Verburg NL
Daribor Dacha Portic Serbia
Pukat Sven D, Pukat Winnie D
Apologies: Jan Van Looy B, Jaak Aerts B
3. Reconciliation of the list of addresses
4. The reading of the minutes of the last meeting in Croatia was abandoned.
- 5 Report of the Presidium meeting
 - From October 2 021 it will become much more difficult to transport birds - > always with official veterinary certificate
 - The EE needs more money for the Presidium and its meetings - a 50% reduction in costs is aimed for.
 - Online meetings have shown that it is possible to work more cost-efficiently.
 - Heinz Hochuli reports from Switzerland that several posture breeds will be banned. Also all known show cages. It was agreed that in almost all countries a "new generation" of vets is growing up, who look at our hobby, the keeping of birds, with a more critical eye. It is necessary to talk to these vets and, if possible, inform them of our arguments.
6. The agenda of the General Assembly
7. Admission of new members
 - For the time being there are no new members. Kosovo is being discussed, possibly for 2022, but some organisational requirements are missing.
 - The contacts with the League of Bird Breeders in Poland have to be developed further. Unfortunately, there is no positive decision yet.
 - Also contact should be sought with the Czech Republic.
- 8 Report of the Animal Welfare Advisory Council
9. Proposal "new COM system for show classes for the next European Championships 2022
Henk Jansen presented the system for judging and the new EE show class system. The system was understood and found to be good, but the very large collective classes for tribes are somewhat criticised. There will be little incentive to set up tribes. Sven Pukat suggested that if there are at least 5 tribes present, a master class should be offered similar to the single bird class. If less than 5 strains per colour/race are registered, the collective classes will remain. Klaas Snijder will be happy to discuss and check the feasibility of this proposal with his Belgian colleagues.

Sparte VÖGEL

- 10) Proposal for discussion of revised rules for judging and awarding prizes. The topic was briefly discussed.
11. Standard Commission
No further changes or restrictions were discussed.
12. Elections according to §12.2 of the EE Statutes
Sven Pukat D. was nominated for the office of vice-chairman of the bird section and Henk Jansen for the office of secretary of the standard commission of the bird section. Both were elected unanimously by a show of hands and accepted the election.
13. EE-judge training in the Netherlands 2022
A training course is planned for 2022. Especially for new judges from or for the EE show in Poland. It was discussed to approach colleagues who could then participate in judging for the EE show. Place and content of the PR meeting will be announced soon.
14. European Breed Show
- A European Breed Show for birds is planned for 2023 in the Netherlands and is supported by those present. There should be a lot of support for this show especially from the Netherlands, Belgium and Germany.
15. National Show/Championships in the Member States
- Heinz Hochhuli reported on the problems with the Swiss authorities concerning the required cage size.
- The AZ National Show in Germany was cancelled, but the German Championship will take place on 08.+09.01.2022 in Bad Salzuflen.
- The Dutch Championship will take place one week later.
- There is also a championship in Serbia
16. Suggestions and wishes
- It was suggested that a WhatsApp group be set up for the bird protection department so that communication could be even easier, faster and more direct. The group was opened. Admin is Winnie Pukat. If anyone is still interested, apart from those who attended the meeting, please let us know.
- The next meeting will take place from 26-29.05.2022 in Mostar - Bosnia and Herzegovina.

The meeting closed at 11.00.

Klaas Snijder
Voorzitter afdeling BIRDS
President sectie Vogel
Président de section oiseaux

Sven Pukat
Vice-voorzitter afdeling BIRDS
Vice president sectie Vogel
Vice-président de section oiseaux
