

Minutes of the ESCP meeting 14. September 2018 in Oksbol Denmark

1. Welcome and presence ESCP chairman Mr. Jean Louis Frindel (JLF) welcomes the ESCP members Mr. August Heftberger (A), Mr. Istvan Rohringer (H), Mr. Claude Schneider (CH). and Mr. Hans Schipper (NL) Mr. Reiner Wolf (D) excuses himself due to sickness.

Minutes 2018. The minutes of the ESCP-meeting in Kolding / DK are approved

3. Open issues for the European Standard

3a. *ESCP Bulletin*. Concept. New image Danish Tumbler. Webmaster ' Mr. Hans Zürcher passed away. Could cause delay in publication of EESP and ESCP documents.

3b. *Conformity national standards – standard SDA*

Some national standards, marked with the EE-logo, are not conform to SDA standard. SDA countries object. EE-logo on national standards means conformity with the SDA standard.

Examples:

- *Mondain*, F-standard: clean legged recognized only; trimmed stubbles allowed.
- *Italian Frill*: Tail horizontal, Agreed with Italian delegation in Doorn / NL, Sept.2017.
- *Vienna Tumbler* A-standard: All tail feathers whether coloured or white..
- *Dutch Highflyer*: NL Standard blacks shall have a white beak..
- *Danish Tumbler*: D-standard not equal to DK standard. Point in Herning.

ESCP chairman JLF will inform the respectively nations about the imperfections.

To the EESP the Standard committees are responsible for standards, not the Special clubs.

3c. In the ELFP the German name for *Polsky Pocztowy Wystawowy* shall be changed into Polnische Ausstellungebriefftaube

4. ESCP projects 2018

4a. *Election* :Mr. Hans Schipper and Mr. Reiner Wolf are retired. Candidates for ESCP membership are to be announced by their associations.

4b. *Table for breeds and colours*: for the EE Jubilee show at 19-21/ 11 – 2021 in Tulln / A Mr. August Heftberger needs a table containing all ELFP breeds with their recognized colours.. Request for support to all EESP countries which have such a table.

4c. *Digitalizing standard files with all breeds*. This file could be used by countries for digitalizing their national standards. Those will have the EE-standard directly (if translated correctly!). JLF will take action.

5. EE Show Herning / DK
