

## **Minutes of the consultation 2019 of the Commission for Animal Health and Animal Protection of the EE in Trogir (CRO)**

The meeting of the Commission took place in a very beautiful area in Trogir. For all participants everything was perfectly organized. We would like to thank the organizers for a very well-prepared meeting.

### **1. Begrüßung / Salutations / Welcome**

The chairman is warmly welcomed to the members at 2 pm. Erik Apperlo from the Netherlands is welcomed for the first time. The invitation with the agenda has all been received. Jean de Bruin has apologized.

### **2. Feststellung der Anwesenheit / Constatation des présences / Recording attendance**

Present: Prof. Dr. Joachim Schille, Dr. Josef Rey Bellet, Dr. Erik Apperlo, Dr. Peter Supuka  
Excused: DRS. Jean de Bruin

### **3. Protokoll heute / Procès-verbal aujourd'hui / Minutes of today**

The minutes today is according to the turn written by Dr. Peter Supuka. The Commission has agreed that the protocol will be drawn up after the termination of the EE. Within 6 weeks of the committee meeting, it is sent to the President of the Commission for consideration and then translated into the other languages.

### **4. Bestätigung des letzten Protokolls / Confirmation du dernier procès-verbal / Confirmation of the last minutes**

The minutes of the last meeting were all received. It is unanimously confirmed.

### **5. Bericht des Vorsitzenden und der Mitglieder / President et members reports / Chairmans and members rapport**

The President and the members of the Commission discussed the health situation in each European country. Breeders must prepare themselves for great pressure from nature conservationists. There are efforts to limit the breeding of some breeds and animal species. Not in all countries are restrictions the same.

### **6. Korrespondenzen und Mitteilungen / Correspondence et communications / Correspondence and communications**

Chairman Prof. Schille has informed about the incoming mails.

### **7. Rückblick auf die Europaschau in Herning / Rétrospective Exposition Européenne à Herning / Review breedspecific European shows in Herning**

The last EE show in Herning, Denmark, was very good and nice. The exhibition halls were very nice and the organizers managed everything at a high level. The exhibition conditions for the animals were very good. Care and feeding were excellent.

### **8. CITES in den Ländern / CITES dans les pays / CITES in the countries**

The section president reported on changes in CITES for each animal species. The changes mainly affected exotic birds.

### **9. Situation zu Tiergesundheit und Tierschutz in den Ländern / Situation de la santé et la protection animales dans les pays / Situation on animal health and welfare in the countries**

The animal health situation is relatively stable and good. There are no outrageous problems. A table on compulsory vaccination in individual European countries is needed.

### **10. Beirat im Internet / Internet / Internet**

The session was visited by the president of the union and the secretary of the union. Checking and completing contacts on the Internet.

### **11. Bericht des Vorsitzenden in der Generalversammlung / Rapport du président à l'assemblée générale / Report of the Chairman at the General Assembly**

Commission chairman Prof. Schille prepared a report for the Annual General Meeting and sent it to the Commissioners beforehand. The report was approved.

### **12. Teilnahme an den Spartensitzungen am 31.05.2019, 08.00 h / Participation aux réunions des divisions du 31.05.2019 / Participation of the sections meetings of 31.05.2019**
