**10. Appendix? –List of all Guide Standard Breeds**

An appendix will be attached to the European Standard that lists all the breeds that are not yet fully standardised in at least 3 affiliated countries. Whilst discussing this agenda point, it became clear that the Slate and Saffron should be taken up in the main standard straight away.

The description was made immediately.

**11. European Standard: how / where / what / when??**

The European Standard will be published as a DIN A5 format. Each breed will be accompanied by, if possible, several coloured photographs. The publication date will be mid 2007 after the English translation has been completed.

**It is essential to know roughly how many copies will be bought by all affiliated countries prior to going to print in either German and/or the English language. Please send your estimated figures to Evelyne van Vliet by 31<sup>st</sup> December 2006 at the latest!!**

**12. Presentation of photos for possible use in the European Standard**

A slideshow of photos for possible inclusion in the standard was looked at on Helmut's laptop.

**13. Any Other Business**

Helmut Sakac put all amendments and adaptations straight into his lap top and will send out copies as soon as possible.

A guide for weights will not be set up as yet; we will investigate how we can implement a minimum weight of 500gr. for all exhibits at shows.

That completed our hard work!

The European Standard for Cavies saw the light on 26th. May 2006!!!!!!

The event was celebrated by the entire section with a bottle of champagne. 😊
